PRINCIPAL'S CORNER

Dear Parents,

We are only a couple of weeks away from Lent. It is a beautiful time of the year for reflection on our relationship with Jesus and with others as well. Please consider how your family can give time this Lent to Jesus through Prayer (talking to God in a personal way), Almsgiving (doing good things for others) and Fasting (giving up something). These can all be done at every age level with some creative brainstorming. All of these actions can have a positive impact on our lives!

Please continue to pray for us as we pray for you!

** Remember this is No School this Friday, February 18th and Monday, February 21st.

Principal

UNEXCUSED TARDIES/ABSENCES

Parents we are asking for your help. We have noticed lately that many students are tardy to school in the morning as well as being tardy throughout the day to their classes. We will be assigning detention to those students who have 3 or more unexcused tardies. Parents will be notified if their son/daughter will have to serve a detention and when it will be served. Please talk to your children about being prompt to school and to their classes.

Also when your child will be out of school for whatever reason you must call school and let them know even if it is everyday.

As a just a reminder to keep track of your lunch account balance and make sure that you have money in your account. Students do get one lunch per day but any extras they take get charged on their lunch account.
