PRINCIPAL'S CORNER

Dear Parents and Friends of Holy Trinity School,

For God alone my soul waits in silence, for my hope is from him. Psalm 62:5

Lent is a great time to listen. Really listen. God has wonderful plans for all of us. We can hear best when we take time to reflect on where he is calling us to be and what he wants us to do for Him.

This time of year is also our greatest time of academic growth for students. We have lots of consistent school days in which to learn and build upon concepts worked on during the entire school year. Please continue to support good eating and bedtime habits and consistent studying and homework practices. Encourage and praise as well as take opportunities for teachable moments when failures become opportunities for growth. Build character by role-modeling the qualities you admire and desire for our leaders of the future.

Please remember that this is the last week to sell those raffle tickets.

Also this Sunday is the 8th Grade Pancake Breakfast from 9:00am—Noon in the Social Hall.

Please continue to pray for us as we continue to pray for you.

Tony Kielkucki—Principal
