PRINCIPAL'S CORNER

February Greetings!

Happy Valentine's Eve! I hope that everyone takes time to soak in God's love for you!

We have rescheduled our talent show and danceline performance for this Friday at 1:30. Third time's a charm, right?

Top 20 Tip -

Above the line - a positive view on life and how I see the world. My thinking is in my best interest. Energetic moods and emotions.

Below the line - a negative view on life and how I see the world. My thinking is not in my best interest. Depressing moods and emotions.

We vacillate between these each day, but we want to spend the majority of our time ABOVE THE LINE! Take a moment to talk with your children about where they are spending most of their time. Next week I will share a tip about how to trampoline back above the line when we dip below!

We love because he first loved us. 1 John 4:19

PARENT REMINDERS!!

Just a reminder to parents that students not in sports or working with a teacher after school need to be out of the building by **3:15**. This is for elementary as well as high school students. There is no supervision after school for them so we ask that they get picked up by 3:15.

Also a reminder to please check you child's lunch account frequently so that we keep all accounts in the black. You can keep track of the account by using the parent portal that you can set up in JMC. Elementary lunches are \$2.75 per day and high school lunches are \$3.00 per day. Thank you for your cooperation in this matter.

There is still time to sell after weekend Masses so contact Andrew Meuleners if you would like to do this.

A Message from the Spring Fling Committee:

Dear Parents,

The Spring Fling Committee would like to invite parents, relatives and friends to the annual Spring Fling Dinner Auction on Saturday, April 13th.

The Spring Fling Dinner Auction is a major fundraiser for the school and is organized by a committee of parent volunteers. Every year the Spring Fling has a theme, and this year's theme is "Willy Wonka and the Chocolate Factory". The Spring Fling is attended by parents, grandparents, friends, community supporters, and alumni. We would love to sell out this year which would mean we would have 300 guests.

There are many items on the auction that everyone and anyone would enjoy. We have lots of gift cards to surrounding businesses and donated items include everything from fishing tackle to season tickets to St. John's football games. Did we mention that you will have a lot of fun? We have an open bar and this year great food from Hollywood Catering. On the menu is Chicken Cordon Bleu and Beef Tips and cheesecake for dessert; you will not go home hungry! Speaking of cheesecake, one of the live auction items is "Pie and Cheesecake for a Year". Other special auction items are the classroom projects that are made by the students each year. Only one project is made; only one person goes home with the class project. They are a great keepsake and reminder of your son/daughter's school year.

The Spring Fling is a great night of fun that you need to experience in person!

Look for invitations to be delivered soon!

For questions or if you have an item you would like to donate, contact Andrew Meuleners at 320-485-5652 or email at ameuleners@htwinsted.org.

Hello Holy Trinity Families!

We're gearing up for our annual American Heart Association event! This year we are participating in **Kids Heart Challenge (formerly known as *Jump Rope for Heart*) and are so excited to introduce your students to the Heart Heroes who work together to fight heart disease. We'll be doing LOTS of fun things in PE to keep our hearts working hard during Kids Heart Challenge.**

Our official kick off is Friday, February 22 at school, but, **you can join the fun RIGHT NOW! We're challenging EVERY STUDENT to join our team online and accept one of these health challenges: do a good deed daily, chose water over sugary beverages, or exercise every day. Students who accept a challenge will earn an official HEART HERO wristband at school!**

To join our team and accept a health challenge visit: <http://www2.heart.org/goto/holytrinitymn> or download the FREE Kids Heart Challenge app on your mobile device. Once the challenge is accepted, share the message with others to promote healthy hearts and raise donations for the American Heart Association.

Thank you for your support!
