PRINCIPAL'S CORNER!!

Snowy Greetings!

Who knew that I would say that again before next winter! This has been an unusual 2019 - and the surprises keep coming!

I am looking forward to Spring Fling this weekend. Celebrating fun, fellowship and fundraising is always amazing. The gym has been creatively transformed into Wonka land, the food will be delicious and we have so many cool silent and live auction items to bid on!

Top 20 Tip - LET THE PROBLEM BE THE PROBLEM. As human beings we experience problems in our lives. However, the way we think about the problem can actually add to the problem. If rain or snow has cancelled our baseball game or fun outdoor event, let that be the problem. However, don't let that disappointment affect how you relate to your family, friends or others. If you do, then you have two problems. Let the initial problem be just that and have a positive attitude in how you deal with the situation - maybe you now have extra time to complete an assignment or project that you were worried about! (All of the Top 20 Tips are taken from Top 20 Teens: Thinking, Learning and Communicating. By Paul Bernanei et al.)

If we try hard to bring happiness to others, we cannot stop it from coming to us also. To get joy, we must give it, and to keep joy we must scatter it.

TENEBRAE SERVICE!!

On Good Friday, April 19 we will have our Tenebrae Service at 7:00pm. Tenebrae is a Latin word for darkness or shadows. This service is a representation of the darkness that covered the world at the time of Jesus’ death. This service will feature music from the Holy Trinity Contemporary Group and will feature songs, “Feel the Nails,” “Were You There,” “We Fall Down,” plus many others. If you have never experienced this very moving service, please plan on joining us.
